

COOPERATION WITH ALLIANCES, ASSOCIATIONS OF FOREIGN COUNTRIES AND KAZAKHSTAN

The International Association of Teachers of Russian Language and Literature (IATRLL) is a non-governmental public association created with the aim of popularizing, preserving, developing and studying the Russian language and literature as part of world culture.

«British Council» is the United Kingdom's international organisation for cultural relations and education.

The British Council promotes the exchange of experience and the strengthening of mutual understanding between the people of the United Kingdom and other countries. The organisation works in the fields of arts and culture, English language, education and the development of civil society in more than one hundred countries around the world.

The British Council has been working in Kazakhstan since 1994 in Almaty and Astana, and is an important part of the bilateral relationship between the UK and Kazakhstan. In Kazakhstan, it interacts every year with thousands of students, teachers, politicians, academics, researchers, and the creative industries representatives

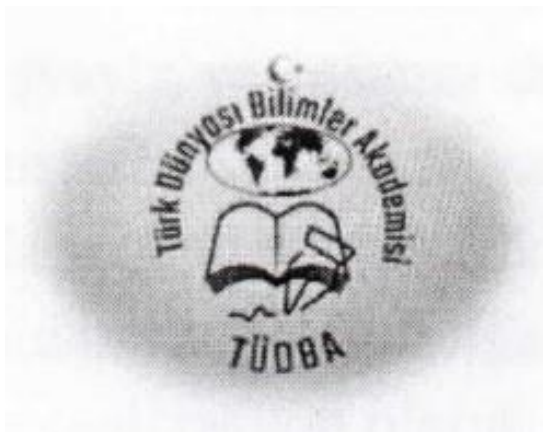

United Nations Academic Impact (UNAI) of the Department of Public Information is a global initiative of the Secretary-General aimed at enhancing cooperation with higher education institutions in support of the goals of the United Nations. Baishev University has been a member of this organization since December 2015. Participation in the Initiative gives the University all the benefits of membership in a growing network of students and scholars engaged in active work to organize events and conduct research in order to create a unified global culture of intellectual responsibility to society.

The autonomous non-profit organization for assistance in developing cooperation between the CIS countries “Commonwealth of the Peoples of Eurasia” was created in May 2014. The purpose of its activities is to support integration processes between the country-members of the Commonwealth of Independent States.

Association "Community for Academic Activities" (Serbia). The goal is to develop and improve professional skills, self-education, communication and exchange of best practices with colleagues from the CIS countries, the Balkan Peninsula, Europe and the USA

The Foundation of the Academy of Sciences of the Turkic Peoples (ASTP). The Foundation will serve to preserve the cultural and civilizational accumulations of the Turkic world in all aspects of development and transfer them to new generations.

The Foundation, composed of science administrators from fraternal and related communities from all over the world, sets academic goals in the field of multidisciplinary sciences (sociological, anthropological, folklore, geographical, ethnographic, ethnological, historical, art history, economic, etc.).
