INFORMATION LETTER

Dear Colleagues! We invite you to take part in the X International Scientific and Practical Conference - “**Modern trends in the development of science: problems and prospects**”

The purpose of the conference is to create a platform for discussing priority areas and current problems of science and education, consolidating the efforts of science, education and business in solving modern problems of socio-economic development

Conference objectives:

1. Discussion of current problems of education and science;
2. Promoting the exchange of experience between scientists and practitioners;
3. Information support for scientific research;
4. Organization of open scientific debate that helps improve the quality of scientific and practice-oriented research;
5. Involving specialists, undergraduates and students in scientific research.

Date of the event: April 15, 2025

Time of the event - 14.00

Venue: Baishev University

Address – Republic of Kazakhstan, Aktobe city, Br street. Zhubanov, 302A

Organizing committee email – science@bu.edu.kz

The conference materials will be published in a collection of scientific papers.

The deadline for submitting applications and submitting abstracts for publication is **April7, 2025**

Thematic sections of the conference

1. State and business: management, economics, finance and audit.
2. New opportunities for the development of technical and natural sciences in the context of modern research.

3. Innovative directions in jurisprudence: theory and practice
4. Pedagogy and psychology, philology: theoretical and practical approaches
5. Information technology and artificial intelligence

Conference languages: kazakh, russian, english

Format: offline, online

(Link for online meeting - <https://telemost.vandex.ru/j/21451960169805>)

Organizational conditions for participation in the conference:

To participate in the conference you must:

1. Fill out an application for participation (Appendix 1) (file name: Application_LastName_FirstName.doc).
2. Prepare the article according to the requirements (Appendix 2) (file name: Article_Last_FirstName.doc).
3. Receive confirmation that the organizing committee has accepted the necessary material.
4. Pay for the publication of the article after notification of the acceptance of the article within 3 days.
5. Send a copy of the receipt.

The authors of the best reports are awarded diplomas of I, II, III degrees and certificates.

Based on the results of the conference, articles and reports will be published in a collection, the electronic version of which will be posted on the website of Baishev University

(<https://site.bu.edu.kz/>)

Application (for students and undergraduates) for participation in the X International Scientific and Practical Conference

1.	Section name	
2.	Publication name	
3.	Speaker's full name	
4.	Information about the speaker: specialty/educational program, course	
5.	Participation form (offline, online)	
6.	Full name of the manager	
7.	Scientific degree/academic degree, scientific title of supervisor	
8.	Full name of the university	
9.	University address (indicating the city)	
10.	Speaker phone numbers (cell phones/home phones)	
11.	Speaker email	
12.	Receipt of payment	

Application (for teaching staff and university researchers) for participation in the X International Scientific and Practical Conference

1.	Section name	
2.	Publication name	
3.	Speaker's full name (written in full)	
4.	Participation form (offline, online)	
5.	Information about the speaker: EP/department/department	
6.	Scientific degree / academic degree, scientific title	
7.	Full name of the university	
8.	University address (indicating country and city)	
9.	Speaker phone numbers (cell phones/home phones)	
10.	Speaker email	
11.	Receipt of payment	

Application (for specialists) for participation in the X International Scientific and Practical Conference

1.	Section name	
2.	Publication name	
3.	Speaker's name	
4.	Participation form (online, offline)	
5.	Information about the speaker: department, position	
6.	Full name of the organization	
7.	Organization address (indicating country and city)	
8.	Speaker phone numbers (cell phones/home phones)	
9.	Speaker email	
10.	Receipt of payment	

Requirements for article formatting

- format - Microsoft Word*.doc;
- font - Times New Roman;
- font size-12;
- line spacing-1;
- text alignment - width;
- paragraph indent - 1 cm;
- margins: top and bottom - 25 mm, left and right - 20 mm;

The following are not allowed in the text (!): page-by-page footnotes, automatic hyphens, page numbering, unclear screenshots of drawings.

In tables, figures, formulas there should be no discrepancies in the designation of symbols and signs. Figures and tables in the text must contain links.

Drawings must be clear. Captions for figures: font Times New Roman 12, without indenting the first line of the paragraph; center alignment, no hyphenation. Under the caption of the figure there is a Note (Times New Roman 10, italics, left aligned, without indenting the first line of the paragraph), where comments are given as to whether the figure was compiled independently or based on sources.

Tables must be titled; empty columns are not allowed. Abbreviations and symbols should be explained in a note. The name of the tables is Times New Roman 12 font, no indentation of the first line of the paragraph, justified, with hyphens.

If the article contains one table, then its serial number is not indicated; the word “table” is written and only its name is given. There is a blank space between the table name and the table itself. Empty columns in tables are not allowed. The last line of the table contains a Note (Times New Roman 10, left aligned, without indenting the first line of the paragraph), which provides comments on whether the table was compiled independently or based on sources.

The number of formulas in the text should be minimal. Formulas must be typed in the appropriate editor (for mathematical and chemical formulas).

References to literature sources used in the text are given in square brackets after mentioning the source material or citing according to the number under which the source is listed in the list of references, for example, [6] or [2; 3; 4]. References GOST 7.1-2003 “Bibliographic record. Bibliographic description. General requirements and rules of compilation.” When referring to Internet resources, you must indicate the title of the article, the name of the site, the email address of the resource and the date of access to it.

The originality of the submitted article is at least 60%, taking into account citations of 10-15%) as a result of checking in the Anti-Plagiarism system.

The collection contains original, previously unpublished articles. The author (and his supervisor) is responsible for the content and design of the article. Authors who have not received confirmation of their receipt by the organizing committee are asked to duplicate their application.

Materials submitted later than the specified deadline or not completed in accordance with the requirements will not be considered and will not be returned. The organizing committee has the right to refuse an article if it does not comply with the requirements for its design.

Participation in the conference and publication of articles after receiving a certificate of completion of work in the anti-plagiarism system – **2000 tenge.**

Text design example

IRSTI (international rubricator of scientific and technical information)

Article title

Name of the author, place of work

email address

Full name of the scientific supervisor

Abstract

Text.....

.....(at least 100 words)

Keywords: (5-7 words)

Article text

.....
.....
.....

List of references

1.
2.

After 1 interval and before the article text, the abstract and keywords are given in the language of the published material (Kazakh, Russian, English) and the abstract in two rest languages indicated after the list of references.

DATE OF CONTROL

Articles and reports for the International Scientific and Practical Conference are accepted by e-mail: science@bu.edu.kz	until April 7, 2025
To participate in the conference, you must email an application form to Baishev University: science@bu.edu.kz	until April 7, 2025
